

## NEWS RELEASE

# **Largest National Indigenous Business Event Kicks Off**

---

---

*Vancouver, B.C. May 11, 2005* Natural resource development in Canada is booming. The Native Investment and Trade Association have just announced that **RESOURCE EXPO 2005** will be held in Vancouver at the Sheraton Wall Centre Hotel from October 30 to November 1, 2005. Information is available online at: [http://www.native-invest-trade.com/index\\_basic.shtml](http://www.native-invest-trade.com/index_basic.shtml).

The largest, most high-profile Aboriginal business event in the country will once again bring together the resource development industry and Aboriginal/Native American players, to network, share information, exchange views, and examine the new reality of opportunities. The conference provides an opportunity to learn about the issues, concerns, and how to create win/win projects. Enjoy the interaction and enthusiasm of the **NEXUS** trade show mixed with Aboriginal cultural and contemporary performers. Network and relax at the **National Aboriginal Business Association's 4th ANNUAL NATIONAL GOLF TOURNAMENT**. Join in to celebrate the successes and milestones of the resource development industry/Aboriginal business at the gala dinner event.
